# Indymac Bank. More than great rates.

Visit one of our 26 friendly  
Southern California branches today.

No, you're not seeing things. Indymac Bank® pays some of the nation's highest CD rates. But there's more to us than that. Pasadena-based Indymac Bank is one of the few remaining California banks that is committed to serving its local base while remaining local itself, with a personal touch that includes free coffee and prompt, friendly service in 26 inviting Southern California branch locations.

With over \$24 billion in assets, Indymac Bank is the largest savings and loan in Los Angeles and the 10th-largest mortgage originator in the nation. We know that a lot more goes into being a great bank besides great rates — although we've found that it doesn't hurt. So stop by your local branch today to experience great rates and more-than-meets-the-eye hometown banking from Indymac Bank.
