

Take a closer look at the legacy of The Growth Fund of America®

In today's challenging marketplace, The Growth Fund of America's flexible approach remains true to its investment objective: growth of capital. Our new [white paper](#) (PDF) provides a closer look at GFA's nearly 40-year history and long-term view:

- insight into the fund's focus on value and growth
- the fund's emphasis on achieving its objective over full market cycles
- a proven history of results of American Funds' equity funds
