Palm Terrace

RESTAURANT AND LOUNGE

We've often heard it said that at many European restaurants a dinner plate returned to the kitchen with nary a bite touched would bring a chef to tears. We're happy to report that The Island Hotel's Executive Chef Bill Bracken has never so much as come close to misting up—except when cutting onions.

Experience the evidence of the The Island Hotel's Palm Terrace Restaurant for yourself. For breakfast, lunch and dinner, or for information, call 1.949.760.4920.
